

**Concordia Lutheran Mission (CLM)** is a confessional Lutheran mission church in Myerstown, PA. We exist to spread the Good News of Jesus and to reach the lost in Lebanon County, PA. As we continue to sow the seed here, we ask that you continue to remember us in your hearts and prayers.

2018 has been a great year for us in increasing our community presence and in sharing the Good News. Vicar Sawyer Meyers has been here since last August. He has been building relationships in the community with neighbors, local business owners, schools, police, the borough, and others. Last year CLM attended two different events celebrating the 250th anniversary of Myerstown. We had booths set up to hand out promotional materials and make connections in the community. Our members have also been knocking on doors, talking to neighbors in the area, and then leaving door hangers with our information on them. On Sunday, Oct. 28th, 2018 CLM hosted the regional Reformation worship service along with Mount Calvary, Lititz and Calvary, Mechanicsburg. We held a potluck following the service with over 60 in attendance. As CLM has grown, we now gather to receive God's gifts every week. Last November, CLM started to meet for worship every Sunday at 11 AM with Bible Study following.

On December 5<sup>th</sup>, the local Myerstown newspaper (The Merchandiser) published a story on CLM highlighting its focus on ancient, creedal, and liturgical faith while also noting its relevance and service for Myerstown. In 2019, we look forward to focusing more on evangelism in this great community. You can find out more about CLM on our website, [concordialc.org](http://concordialc.org).
